Charitable Giving Foundation Golf Tournament

March 10, 2019

Dear Friend of the Michael H. Cole Charitable Giving Foundation,

I am very pleased to invite you to our annual fundraising event on Monday, May 13, 2019. Not only do we have a fun filled golf tournament, but it will be followed by cocktails, dinner and a live auction, to be held at the Wequassett Resort. If you are not a golfer, the second part of the day is for you! We have a raw bar again this year put on by Mac's Seafood, followed by a surf and turf dinner. Our auction has items that are sought after each year. Our auctioneer, John Terrio, always makes that part of the evening a lot of fun! You can register for dinner only. If you are a golfer, please join us for the whole day, as all of the above is included in your registration fee (plus lunch)!

With your help, our fundraiser will continue to support one of the Foundation's beneficiaries, the Creutzfeldt-Jakob Disease Foundation, as they continue their search for a cure for CJD. We have thus far established five \$10K research grants in Michael's name at the CJD Foundation. Additionally, we continue to support The Cape Cod Children's Place, Hope Hospice of Cape Cod, classes at NRMS of Calmer Choice, and have donated to the Michael H. Cole Capital Fund at the Eastham United Methodist Church, and support both the Homeless Prevention Council and the Latham Centers.

Your participation is very much appreciated. We again expect to sell out!!! Last year we had to turn people away, so we are hoping you will plan and commit early!

We have set up our website [www.mhcgolf.org](http://www.mhcgolf.org) where you can register, donate, sponsor and follow the details as the day gets closer. There you will also find lists of raffle items and live auction items, as the day draws nearer.

I look forward to hearing from you and enjoying May 13<sup>th</sup> with you!

Sincerely yours,

Jeanne L. Cole
